

JUMPED FROM THE WINDOWS

Students of Ottawa University Driven Out of Building by the Flames.

DESTRUCTION IS COMPLETE

All Students Escaped, But Priests Were Seriously Hurt—One Domestic Missing.

(By Associated Press.)
OTTAWA, Ont., Dec. 2.—The Ottawa University, one of the largest educational institutions in Canada, was totally destroyed by fire early to-day. The loss is estimated at \$500,000, with insurance of \$200,000. All of the students escaped, but many had narrow escapes. Three priests were forced to jump from upper windows and were badly injured. They are Father B. Hagen, Father Fulton and Father McGurk. The latter is fatally hurt. One of the domestics is missing, and probably perished in the flames, and another was seriously burned that she will probably die. The missing woman, a Miss Davis, was last seen on the fourth floor. There were 450 students at the university, which was a Roman Catholic institution. Many of the students were from the New England States.

While the students were at breakfast in the refectory some of them saw smoke escaping around the pipes. In half an hour the fire made its appearance, and soon afterwards the whole building was in a blaze. The students and others who had risen early escaped easily. A number who were still abed had to take the fire escapes in their night clothes or jump from the building into blankets held out by the firemen below.

The fire escapes were all on one side of the structure, and those who slept on the other side could not reach them. They had to jump, some of them from the fourth and fifth stories. In jumping several accidents occurred. All of the students, however, escaped with very slight injuries, no one being seriously hurt.

Two of the priests were seriously injured and one, Father Boyon, is not expected to live. He was in the fifth story. He could not reach the escapes and had to jump. He fell on a veranda below, landing on his shoulder and afterwards rolling to the ground, striking on his head.

The fire is supposed to have resulted from a burning cigarette which was thrown away after the play given last night in the academy hall.

THE TREATY IS SIGNED

The Ceremony Takes Place in Government Palace in Panama.

NO AMENDMENT WHATEVER

Treaty Approved in All Its Parts by Every Member of the Panama Junta.

(By Associated Press.)

PANAMA, Dec. 2.—The canal treaty was signed at 11:33 A. M. to-day. There were no amendments to the treaty.

When every preparation had been completed for the actual signing of the treaty a government decree was adopted, setting forth that:

"Whereas, a guarantee of the independence of the Isthmus has been obtained; and

"Whereas, celerity is indispensable to securing an efficacious and immediate fulfillment of this obligation on the part of the United States and the Junta of the provisional government formed by the unanimous of the people of the Isthmus, and possessing full sovereign powers over the Isthmus territory; be it

"Resolved and decreed, That the treaty be approved in all its parts."

Minister of Foreign Affairs Esprella arrived here from Colon yesterday with the new canal treaty.

Senators Arango and Arias, with some of the ministers of the new Republic, met the party at the railway station. Senor Esprella drove immediately to the government palace, where the chest containing the treaty was placed on a table in the main office. Members of the Junta and of the ministry assembled in the grand saloon of the palace. Two and two small tin boxes, addressed to the members of the Junta and bearing the seals of Minister Bunau Varilla, were placed on a table in the center of the room. Surrounded by the spectators, who were seated about the table, Esprella opened the chest and withdrew the cotton wrappers, finally bringing to light the treaty, enveloped in the Panamanian flag. The document was addressed to the ministers of the Junta by Minister Bunau Varilla. Esprella then broke the seal and formally handed the paper to the members of the Junta. There was only one copy in the English language.

CHILDHOOD'S FRIENDS.

How Talbot and Rogers Met After Nine Years.

A pretty little story comes out in connection with the partnership of Walter Talbot and John Rogers, now playing at the Bijou.

The two young men went to school and played marbles together in San Francisco some years ago. They grew up together, and both of them developed wonderful voices. They sang in church choirs, and helped out all the churches and societies that needed their help.

Finally they separated, and went out on the road to earn a living. After nine and a half years, Talbot was playing at a theatre in New York. One Sunday he went to church, and he was entranced with the singing of the basso in the choir. He looked up and saw his old childhood friend. After services he met Rogers and then, there the two San Francisco boys joined hands and came to Richmond. They are still talking about their marbles and tops.

DISTILLERY WAS RUBBED

Eighty Gallons of Whiskey Stolen and Acts of Vandalism Perpetrated in Prince George.

ROYAL ARCANUM OFFICERS

Much Interest Exercised by Voters in Regard to Paying Their Poll Tax.

(Special to The Times-Dispatch.)

PETERSBURG, Va., Dec. 2.—The Forsyth distillery, recently built and put in operation in Prince George county, just outside the city, was robbed of about two barrels (80 gallons) of newly made corn whiskey. The thieves perpetrated acts of vandalism also in the breaking and injuring of property and in wasting much liquor that they could not carry away. There is no clue to the robbers.

At the regular meeting of Sycamore Council, No. 765, Royal Arcanum, of this city the following officers were elected: Past Regent, Herbert Plummer; Regent, R. E. Brunet; vice Regent, A. M. Crowder; Orator, W. D. Morris; Guide, J. F. Lawrence; Chaplain, R. W. Kins; Secretary, H. R. Smith; Collector, D. D. Atkins; Treasurer, E. H. Kull; Warden, W. T. Parham; Past Master, J. E. Brown; Representative to the Grand Council, W. T. Parham; Alternate, H. Plummer.

THE DRUIDS.
The State grand officers of the United Ancient Order of Druids visited the city to-night and by invitation explained to quite a large gathering of citizens the principles and objects of the order. The object of the meeting was to secure a sufficient number of charter members to organize a grove of the order in Petersburg and this was done. There are six groves of Druids in Richmond and Manchester.

Over 1,600 State poll taxes have been paid up to date. And the indications are that some 1,600 or 1,700 men will qualify themselves as legal voters before the 14th instant. Interest in the matter is much more general than heretofore. For weeks before this time last year the rush of tobacco to the warehouses here was so great as to glut the market. This year the receipts have been very light. At the corresponding time last year it was almost impossible for the buyers to get through more than one or possibly two warehouses in a day. Now they get through all in a few hours. The reason is the lack of a season for handling this year. There is plenty of tobacco in the country, and the price is the highest in the history of the plant. The planters are very anxious for a good season.

APPOINTEE GUARDIAN.

In the Corporation Court to-day Senator W. B. McIlwaine was appointed guardian for the two infant children of the late Timothy Hamlet.

No business of special importance was transacted at the meeting of the Common Council last evening. Mr. Charles Bland was elected a member of the body to fill a vacancy from Third Ward. The reports of the treasurer and auditor for the month of November showed that the cash receipts were \$1,654, and expenditures, \$1,400. Appropriations were made for street improvements, and permission granted several parties to lay granolithic pavement about their premises, the city to bear one-third of the cost.

DAMAGE SUIT.

The suit of Russell Wallace Collier against the Virginia Passenger and Power Company, for \$20,000 damages for injuries resulting in the loss of a leg, will probably be brought to a close in the Circuit Court to-morrow. The trial of this suit was begun two or three weeks ago, but its progress was several times interrupted by the sickness of Judge Hancock. The judge to-day notified all parties that the trial would be held to-morrow to resume the case. All testimony having been taken, the instructions to the jury and argument by counsel will consume the day.

Major Charles McCann, of Baltimore, is visiting old friends in Petersburg, where he formerly resided for years. Major McCann was a brave and dashing Confederate soldier, and bears the scars of several wounds received in battle.

Mr. George Cameron, Jr., who has been spending some months in England, is now extending his trip to Australia, where he has large business interests.

St. Paul's Episcopal Church, Lynchburg, Scene of a Brilliant Society-Marriage.

MR. BLACK TO MISS WATKINS

Miss Margaret May Merchant, of Manassas, Becomes Bride of J. Wesley Boisseau.

(Special to The Times-Dispatch.)

LYNCHBURG, Va., Dec. 2.—Miss Lucile Watkins, daughter of Mr. and Mrs. George Putnam Watkins, was married this evening to Mr. William Marshall Black, professor of modern languages in the Lynchburg High School. The ceremony took place at 9 o'clock at St. Paul's Episcopal Church, and was performed by the pastor, Rev. James M. Owens. Music for the occasion was rendered by the full vested choir, under the direction of Professor Hartley Turner, the selections being the bridal chorus from "Rose Maiden," sung just before the bridal party entered; the bridal chorus from "Lohengrin," as a processional. During the ceremony Professor Turner played softly and tenderly an appropriate composition, and for a recessional he rendered Mendelssohn's wedding march.

Two young girls, Margaret Bannister and Margaret Lucado, opened the gates of flowers that marked off the seats for the members of the immediate families. The bridesmaids were Miss Lillian Thompson, as ribbon girls, indicated the seats for the guests. These young ladies were charmingly attired in costumes of pure white.

ADMIRAL SCHLEY ENDORSES PE-RU-NA.

Pe-ru-na Drug Co., Columbus, Ohio:

Gentlemen,—"I can cheerfully say that Mrs. Schley has taken Pe-ru-na and I believe with good effect."

W. S. SCHLEY.—Washington, D. C.

ADMIRAL SCHLEY, one of the foremost notable heroes of the Nineteenth Century, A name that starts terror in the heart of every Spaniard. A man of steady nerve, clear head, undaunted courage and prompt decision.

Approached by a friend recently, his opinion was asked as to the efficacy of Peruna, the national catarrh remedy. Without the slightest hesitation he gave this remedy his endorsement. It appeared on later conversation that Peruna has been used in his family, where it is a favorite remedy.

Such endorsements serve to indicate the wonderful hold that Peruna has upon the minds of the American people. It is out of the question that so great and famous a man as Admiral Schley could have any other reason for giving his endorsement to Peruna than his positive conviction that the remedy is all that he says it is.

The fact is that Peruna has overcome all oppo-

sition and has won its way to the hearts of the people. The natural timidity which so many people have felt about giving endorsements to any remedy is giving way. Gratitude and a desire to help others has inspired thousands of people to give public testimonials for Peruna who heretofore would not have consented to such publicity.

Never before in the annals of medicine has it happened that so many men of national and international reputation have been willing to give unqualified and public endorsements to a proprietary remedy. No amount of advertising could have accomplished such a result. Peruna has won on its own merits. Peruna cures catarrh of whatever phase or location in the human body. That is why it receives so many notable and unique endorsements.

Address The Peruna Drug M'fg Co., Columbus, Ohio, for free literature on catarrh.
